

NYSED-Approved Pathway Assessments in World Languages

(Updated December 3, 2024)

Students who are otherwise eligible to receive a high school diploma in June 2015 and thereafter must take and pass four required Regents Exams or NYSED-Approved Regents Exam Alternative Assessments (one in each of the following subjects: English, math, science, and social studies) and either pass a comparably rigorous assessment for a fifth required exam, or in lieu of a fifth exam, complete the requirements to earn the CDOS Commencement Credential. Students may meet the fifth assessment required for graduation by passing a NYSED-Approved Pathway Assessment in World Languages. At their July 2021 meeting, the NYS Board of Regents voted to change the name of “Languages Other than English” learning standards and related items to “World Languages”.

The following assessments and cut score requirements have been approved for use as NYSED-Approved Pathway Assessments in World Languages. If you notice that any assessment cut scores or versions have been updated since the posting of this document, please email obewl@nysed.gov.

Assessment	Description	Cut Score Required
American Sign Language (ASL) Checkpoint B Examination <i>(Oneida-Herkimer-Madison BOCES)</i> For more information, contact Greg Smith: GSmith@oneida-boces.org	The American Sign Language (ASL) Checkpoint B Examination was developed by Oneida-Herkimer-Madison BOCES and includes 4 sections worth 100 credits: Conversation/Roleplay (Part 1) consists of two role plays worth 24 credits, Expressive Tasks (Part 2) consists of 2 signed stories based upon a picture worth 20 points, and Receptive Tasks (Part 3) consists of 15 questions in response to signed passages, pictures, or advertisements worth 30 credits.	

Assessment	Description	Cut Score Required
<p>American Council on the Teaching of Foreign Languages (ACTFL) Assessment of Performance toward Proficiency in Languages (AAPPL) – French, German, Italian, Portuguese (European) and Spanish</p> <p>For more information, contact Jennifer Carson: jcarson@languageTesting.com</p>	<p>Language Testing International (LTI) is the exclusive licensee of the American Council on the Teaching of Foreign Language’s (ACTFL) assessments. The ACTFL Assessment of Performance toward Proficiency in Languages is an accurate standards-based assessment of students’ ability to communicate in a language. According to the NY State Learning Standards for World Languages, communication is the over-arching goal of instruction.</p> <p>ACTFL defines communication in terms of three modes: Interpersonal, Interpretive, and Presentational. The AAPPL is an ACTFL-developed assessment based on the ACTFL Proficiency Guidelines and designed precisely to test the three ACTFL communication modes across four domains: Interpersonal Speaking and Listening, Interpretive Reading, Interpretive Listening, and Presentational Writing. It assesses tasks across the three modes of communication as defined by the World-Readiness Standards for Learning Languages, which are cited by NYSED on its standards and guidelines page, stating that “the World-Readiness Standards for Learning Languages create a roadmap to guide learners to develop competence to communicate effectively and interact with cultural competence to participate in multilingual communities at home and around the world.” AAPPL results are reported according to ACTFL performance descriptors for each mode, making the alignment of the AAPPL with communication as the over-arching goal of instruction clear.</p>	<p>Intermediate Low (I-1)</p>

Avant Assessment STAMP 4S--
Arabic, Hebrew, Hindi, Japanese, Korean, Mandarin Chinese, Polish, and Russian
