

Program Modifications and Budget Amendments Submissions on Survey Monkey Apply Technical Sheet

This document serves as a technical assistance document for programs to use when applying for a program modification and/or a budget amendment in the SurveyMonkey Apply portal. It details step by step instructions for submitting. Applicants will first need to create a SurveyMonkey Apply account if they have not already done so. Upon completion, applications will be reviewed and tracked within the portal by NYSED staff. Communications between NYSED and programs will still be via email.

- x Upon entering the application, applicants are prompted to review the [Program Modification Fact Sheet](#) to assist in determining if they have all the appropriate documentation. Programs select the region they are associated with.
 - o Selecting Rest of State (RoS) will send the WDI to the RoS Z X
 - o Selecting New York City (NYC) will send the WDI to the ESD Z X
 - o Selecting SED Review will send modification/amendment to the SED program office X

The SED program office will not accept modifications or amendments until reviewed by the programs respective Z X

- x Applicants can then select their project number/program from the drop-down menu and select their program title.
- x Applicants are then prompted to identify which modification they are submitting. The options include Program Modification (no budget change needed), Program Modification (with a budget amendment), or a Budget Amendment only.
